*Sample Knitter Application*

## HELLO!

Thank you for your interest in working with Brooklyn Tweed as a sample knitter. We love working with knitters and do our best to make the process as informative, organized and positive as possible.

We use sample knitters regularly throughout the year to create samples for our seasonal knitwear collections. We pay knitters by the yard, with a variable per-yard rate based on the difficulty of the garment being worked (for example, a heavily cabled pullover is paid at a higher rate than a simple stockinette pullover, and so on) and credit each knitter in every seasonal lookbook that we produce.

We are currently looking to increase our roster of sample knitters and have prepared a short questionnaire and application form to get to know you (and your knitting!) better.

If you are interested in becoming a sample knitter for BT, please fill out the enclosed application and return via e-mail to our coordinator Lis Smith ([lis@brooklyntweed.com](mailto:lis@brooklyntweed.com)).

Thanks again—we look forward to reviewing your application.

All my very best,
